

A Maritime Seafood Boil Cajun Style

All the tradition you'd expect to find with a seafood boil but with a Chef Penner twist.

Using his own spice blend your platter filled with Chef Penner's flavours.

A faint, light grey illustration of a seafood platter is visible in the background, featuring a lobster, crab, shrimp, mussels, and crawfish, along with some greenery.

Lobster
Johan Crab
shrimp
mussels
crawfish
Andouille sausage
cobbed corn
roasted new potatoes
